**PRO AG**

Pro Ag 2014 was a great success for the school. Community, students and staff brought in produce to sell and animals to show in the petting zoo. Our school made over $800 (possibly to use in part to purchase a new registered dairy calf). Special thanks to the parents who assisted both on the day and in produce production.

Kerri Argent
A warm welcome back to everyone in the Bowraville Central School community – I look forward to another great term of collaboration and learning.

Term 4 of course commences with the Higher School Certificate. We wish all Year 12 2014 the very best as they commence this final phase of their formal education. Simply getting this far in their schooling is something to be proud of but we do look forward to each fine young man and woman concluding their final examination with the sense of achievement that only comes when there is a sense that every effort has been expended. I genuinely believe that the whole school community is proud of each and every one of you already, and we look forward to learning of your final results.

It was another proud moment for me last Saturday seeing the great effort and commitment so many of our students and staff displayed supporting Pro Ag at Macksville (10-11 Oct). A great deal of time and coordination was required to ensure the success of the school’s exhibit and ‘Farm Zoo’. Sincere thanks to Mrs Argent and the whole team.

Coming up, on the evening of Thursday 30th October, I look forward to meeting once again with our supportive P&C. As this meeting will coincide with the next School Social it will be another great opportunity for more parents to perhaps join us in collaborating to further improve our great school.

Have a great week.

2015 Kindergarten Orientation and Transition Program

Parents/Carers and their students commencing school in 2015 are invited to an Orientation Day on Tuesday 28th October 2014 at Bowraville Central School 10:00am to 11:20am.

Parents will:
- Meet key personnel
- Take a tour of the school
- Participate in a practical workshop creating healthy lunches in our beautifully equipped hospitality room with Mrs Eve Riches (our Food Technology/Hospitality teacher) and Elliot Keen (Community Engagement Officer). “Live Life Well” organisation also presenting.
- Students will attend a class and participate in learning activities designed to introduce them to cutting edge education that caters for all ability levels.
- Join our Infants children in the playground for morning tea.

A transition program will follow for the next 3 weeks as follows:
- Tuesday 4th November 2014
  10:00am to 11:20am - Children to bring water and fruit for morning tea.

- Tuesday 11th November 2014
  12:00pm to 1:30pm - Children to bring water and a packed lunch.

- Tuesday 18th November 2014
  12:00pm to 1:30pm - Children to bring water and a packed lunch.

Parents are strongly encouraged to attend the first and last sessions.

Year 9 Work Experience

All Year 9 students completed a week of work experience on the last week of last term. The students went to a variety of workplaces to learn about careers in fields like Hospitality, Retail, Physiotherapy, Broadcasting and Construction to name a few. The feedback from many of the employers was fantastic with all students being praised for their enthusiasm, punctuality and work ethic. This is a great way for students to find out about the requirements for different careers and helps them to start to recognise and develop their own skills.

Get out, Get Active!!

Did you know: being physically active is linked to reduced risk of heart disease, some cancers and diabetes?

Being active as a family is a great way to help children be active in as many ways as they can. Here are some ideas for your family:-

Make playing with your kids part of every day
Play outside with your kids
Go for a walk as a family
Get involved in family sporting activities
Take the dog for a walk
Plan an outing at the local beach, pool or river
Pack a picnic lunch and explore the beautiful coast or hinterland

For ideas and information about bush walks, coastal walks and scenic picnic sites in your local area contact:-

Sport and Recreation’s Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $67 for school-aged children and $48 for preschoolers (prices exclude pool entry fee).

2NVR loves to party!

2NVR 105.9fm, Nambucca Valley Radio, is at it again, planning the monthly live gig, known as ‘Studio 3 Live’. This is an opportunity to enjoy, up close and personal, some wonderful live local talent, and this time 2NVR will welcome Kym Pitman.

With pure and haunting voice, Kym’s songs tell stories of Australia’s expansive landscapes and evoke a deep sense of ecological connection. Kym has a special place amongst Australian singer-songwriters. Her unique and gently commanding fusion of lyric, voice and musical imagery inspires an enlivened sense of presence and emotional recognition of human experience and wild landscape.

Born in South Australia, Kym’s youth was spent exploring South Australia’s semi-arid landscapes and her music has always been close to the land. She began performing as a singer songwriter in Adelaide’s Music bars and Cafes as a teenager in the early 80’s. Later moving to Bellingen, she has recorded three albums and performed extensively on Australia’s festival circuit. Kym has won awards for her songs through the Australasian song writing awards and North Coast Industry awards. As a multi instrumentalist, playing guitar, fiddle, viola and banjo, Kym’s enchanting performances are a poignant journey rambling evocatively between coast, desert, gorge and tableland. She inspires hope and leaves her audiences moved and uplifted.

See Kym at 2NVR, 834, Rodeo Drive, Tewinga on Friday October 17, 6-8pm. This is a family friendly, free event, everyone is welcome. You can also listen live on 105.9fm or stream via www.2nvr.org.au. Studio phone 65 647922.

The following day, Saturday, October 17, at 11a.m. will be the 2NVR Annual General Meeting, also at Tewinga Hall; this will be followed by a social barbeque, and everyone welcome, BYO & a salad or dessert; sausages & bread provided. Come and meet the Presenters, check out the studios and enjoy your community radio station.

Some of the 2NVR presenters will make their way to Adelaide next month for the Community Broadcasting Association of Australia, CBAA, conference, where they will gain valuable information and attend the Gala Awards dinner. 2NVR is, once again, a finalist in the national awards for ‘Most Outstanding Small Station’. 2NVR won this award in 2011 & 2013 & has been a finalist, in this category, on 2 other occasions, so please keep fingers crossed for this exciting community radio station.
