Gold Coast Excursion
**PRINCIPAL’S MESSAGE**

*Gold Coast thanks*

Congratulations to all those students in Years 6 & 7 for your fabulous participation in last week’s Gold Coast excursion. By all accounts it was a very memorable time and no doubt something that you will look back upon fondly for many years to come.

Sincere thanks also to Mr Owen Rushton for once again organising such a great experience for our students. Such undertakings don’t just happen, and so we gratefully recognise the huge amount of work put in by staff in order to make these important events happen. Thanks also to Miss Magill, Diana Flanders, Sharon Atkins, Melissa Whalen and Emma Grace for giving your time and expertise also.

This excursion is a fine example of the many opportunities available to students at Bowraville Central School. It is up to individuals to make the most of these chances when they arise in order to maximise their learning opportunities way beyond the classroom. Many of these events involve a financial cost and so to parents and carers also, many thanks for supporting this and many other endeavours offered to your children while they are part of the busy and exciting place of learning called Bowraville Central School.

Have a great week.
Malcolm McFarlane

When lunch comes home ... again
Almost nine out of 10 Australian parents say children’s resistance is a major obstacle in their efforts to provide a healthy diet, and in many cases school lunches are one of the battlegrounds. But it’s a battle families can do without and there are some simple steps to help avoid it.

Keep the kids active this Christmas

Christmas is a great opportunity to spend time as a family, getting outdoors and being active.

Children don’t need lots of expensive presents, consider buying something that you can join in and play with, with your child.

Presents like skipping ropes, balls, sports gear, bikes, swings, pool toys and gardening tools are equally as exciting as some of the more expensive toys available on the market.

The best present you can give your children in your time. So make this a less stressful Christmas, get out and active with your children and have fun!
