**BOWRAVILLE CENTRAL SCHOOL ATHLETICS CARNIVAL!!**

**COME AND CHEER ON YOUR CHILD THIS THURSDAY 5TH JUNE AT HENNESSEY TAPE OVAL**
PRINCIPAL’S MESSAGE

Deputy Principal’s Report

Our leader and three staff, Mrs Rushton, Mr Caesar and Mr Symonds are attending the EduTech conference in Brisbane this week where they will be professionally learning of new developments in education. We look forward to their sharing inspired ideas when they return.

The beautiful summer like weather has allowed students to make great use of the playground changes. Students are playing more outdoor games and enjoying the sunshine in expanded, supervised areas. They also have access now at lunch time to computers, supervised basketball, music and board games. This extension of play activities is to encourage a more active and collaborative play time. This Friday is the Community Garden Fair. Given last year’s attendance we are expecting another spectacular turnout. Our students, staff and community members have been working very hard to make this another success. You will be able to purchase food, drink and fresh, local garden produce. Please bring your family and friends from 11.00 am onwards.

Currently we have quite a variation in teaching staff with many at sporting events and in professional development. These activities improve our school and provide exciting opportunities for students. Casual teachers are often called in to relieve staff in training and we expect a high standard of behaviour from students. It is important that the learning of the students is not disrupted by change. Encourage your child to learn from all teachers, irrespective of their role in the school. Every staff member has unique skills and the most successful students use the opportunity provided by relieving staff to learn about new connections and experiences.

Finally, we are often sent extension activities for gifted and talented students. This week there is an opportunity to extend ICT skills for senior students. Any student wishing to compete in a team based ICT event should see Mrs Williamson.

Pirates Den (continued) - Chapter 4

Early in the morning the well-rested crew of the ‘Sparrow’ set sail to the Bahamas. Six hours into their journey they came across darkened waters.

“What’s this?”, Edward questioned. Suddenly eight colossal purple tentacles burst out of the shady waters. One of the tentacles went to grab the ‘Sparrow’, Edward veered his ship away from the tentacle. “Load the cannons”, he ordered. “Cannons ready” “Fire”. The port-side cannons went crashing through the monster’s waving tentacles severing them with a large spray of blood. The water was stained with blood as what’s left of the monsters tentacles descended back into the depths of the ocean. “Full sail”, Edward said.

Chapter 5

“Slow her down”, said Edward as they approached a small island.

He brought the ‘Sparrow’ around to the side of the island. He lead his eager crew off the ‘Sparrow’ onto the sandy beach. He pulled out the map that he found and examined it. “Alright, You five are going to stay here and protect the boat.” “The rest of you are coming with me”. He followed the map carefully around the island. He and his crew ended up outside a pitch black cave.

“Watch your step boys, we don't know what's lurking about in these caves”, Edward said has he lit a torch. They wandered into the cave and stumbled into what looked like catacombs. There was a slight creaking noise and Edward sung around to investigate. “What the blaze is this “, Edward exclaimed. Twenty skeletons and counting's rose from their death beds, The usually brave and adventurous crew of the ‘Sparrow’ stayed with their captain. Edward was thinking about fighting but realised that the odds were against him and what’s left of his crew.

“Follow me men” Edward and his crew ran deeper into the cave until they came to a drop. They stopped and peered into the never ending pit. The jump was doable but very risky. Edward looked over to the other side of the drop and he discovered that something was gleaming. He looked behind him and saw that the skeleton were gaining on them. He had to decided what he was going to do.

He took a few steps back and went for a running leap. As soon as he jumped he realised he wasn't going to make it. He was a few feet short from the other side. Down he went screaming as he fell into the bottomless pit. The people who followed Edward didn't realise he jumped until the skeletons caught up, they died as well.

The crew of the ‘Sparrow’ that ran got on the ‘Sparrow’ and sailed away becoming smelters and railway workers. The map that Edward found turned out to be a dud and the gleaming thing that Edward saw was just his imagination.

Thus end the story of Edward and the crew of the ‘Sparrow’

Primary Touch Trials

On the 19th May, Tyrell West, Simon Walker, O'Shay Tyerman and Leroy Caldwell and from the girls Trevanna Ahoy, Keisha Jarrett and Zayla Castle attended a District Touch Football Trial. Touch is a very popular and difficult sport to gain representative status as more students play touch than any other sport in our district.

Congratulations goes to Keisha, O'Shay and Simon for their selection. They will now compete in the Zone Trials.

Primary Zone Cross Country

Friday saw a team of competitors attempt the Zone Cross Country trial held in the parks of Grafton. Although a very different track compared to the one we run here in Bowraville it still had its challenges. The distances of 2 or 3 Kilometres was made by 2 circuits of the grounds.

Sam Goodwin, Simon Walker, Zayla Castle, Kirra Goodwin and India Walker gave it their best in their age divisions but were all soundly beaten by teams of students from other districts.

Group Two All Schools Rugby League Carnival

Today on Tuesday 3rd June, BCS senior Primary League Team will represent the school at the All Schools Carnival. In previous years winning this carnival has seen our teams compete in Sydney against schools from around the State.

Athletics Carnival

Thursday 5th June our school Athletics Carnival will be held at the Bowraville Sports Ground. This will mean all students attending on this day will be walked to the sports ground. We ask students to come dressed in House Colours and ready for a day of physical activity.

Give Me Five for Kids

During the carnival we will run a coin trail with all coins donated being sent to the fundraising event “Give me 5 for Kids” a fundraiser for the children’s ward of Macksville Hospital. The house with the longest trail will score bonus points on the day.
