Lani Walshe on the Palm Beach to Manly Walk last weekend.

Respect, Responsibility, Resilience and Teamwork

It has been a great pleasure already this term to know that so many students across the school are receiving awards in recognition of their very positive behaviours. In line with our high-expectations culture at Bowraville Central School, for some time now staff have been working with students to implement our Positive Behaviour for Learning strategy (PBL). The many student led positive things happening across the campus demonstrates that this is really taking flight now.

Our agreed core values are: Respect, Responsibility, Resilience and Teamwork. It is terrific to see so many ways in which such a large number of students have been accruing acknowledgement slips to go into their individual PBL folders. These are awarded when individual or group actions demonstrate any of our agreed core values. We look forward to reviewing this new system and rewarding students accordingly at the end of term.

Have a great week.

Lani Walshe’s Great Effort for MITO
(email from Lani’s mum)

Just want to let you know what an amazing thing Lani did over the weekend. She walked with her aunty & I in the Sydney Bloody Long Walk (Palm Beach to Manly 35km) to raise awareness & funds for Mitochondrial Disease (MITO). When her Aunty Jo asked me months ago to do this Lani said "please can I do it too"... we were just thrilled that she wanted to do something to help others and very rarely did she grizzle at the at the early morning walks leading up to the day! On Sunday Lani managed 20kms before David picked her up, but she was there to meet me 300m from the finish to walk me over the line, plus together we raised $1600 for MITO research. She doesn't appreciate what an amazing thing she has done and I just wanted to share how proud we are of her...and if she is moving a little slowly, you'll know why!
