PBL Positive Behaviour for Learning

Proud member of Nambucca Valley Community of Public Schools
PRINCIPAL’S MESSAGE

There has been a great deal of thought and consultation put into our Positive Behaviour for Learning (PBL) implementation at Bowraville Central School. A very visible next phase of this has been the erection of some pretty spectacular signs around the playground. Expected behaviours of students and staff in relation to our agreed core values of Respect Responsibility, Resilience and Teamwork are on display for all to see.

In congratulation the PBL team for this great progress I this week also mentioned to both Primary and Secondary assemblies that even though it is fabulous to have these large reminders of positive behaviour very visibly on display, we will ideally all exhibit these values without having to refer to a sign or a rulebook. Everyone coming to school each day genuinely wanting to be the best that they can be will ensure that we have an ever-improving Bowraville Central School.

Have a great week.
