TERM 1, WEEK 5, 25th February 2015

PRINCIPAL: Malcolm McFarlane

A whole school community

One of our identified key strategic directions in our evolving 2015-17 School Plan is all about our school as a community. “To co-create with the Bowraville community a learning hub to which all feel a sense of connectedness”. Throughout the school year it is my hope that there will be a range of ways in which everyone has the opportunity to play their part in making our great school even better.

One example is our first P&C Meeting for 2015 – this Thursday 26th February from 6:00pm. Please try to add your voice to this important organisation. There will be many other less formal means for the school to benefit from your ideas and assistance. Volunteering in classrooms, in the school canteen, at the community garden, or with student excursions, just to name a few: please contact the office if you would like to feel like you are a more involved member of the Bowra Team by helping in any one of these ways.

All students learn best when they feel connected to their learning and to their school. As staff, parents, carers and community members, we all have opportunities every day to “To co-create …. a learning hub to which all feel a sense of connectedness”. A connected community is a happy community within which every young person may flourish.

Have a great week.
Malcolm McFarlane

Clean Up Australia Day

Bowraville Central School will be participating in Clean Up Australia Day again this year on Friday 27th February. This is a great way for our school to show its commitment to the environment and become involved in an Australia wide community event. All students who participate will receive a Community Service Award and will clean up areas in and around the school. If students could bring some gloves that would be a great help.
