2015 - School Athletics Carnival
Principal’s Message

Athletics Carnival

Congratulations to all students for making our 2015 Athletics Carnival such a positive day. Participation across all year groups was very high with many students going in every possible event. Thank you also to those parents and community members who were able to join us for this event. The weather was not ideal, but the Bowraville spirit was sparkling. Many thanks to all organising staff for another great collaborative effort.

Term 2 Assembly

We look forward to welcoming parents, carers and community members to our Term 2 Assembly next Monday 22nd June from 11:30am in the school gymnasium. These occasions are a great opportunity to get a sense of the many areas of student learning and achievement. Once again this term we have a lot to recognise and celebrate.

Student Reports

Semester 1 2015 Student Reports will also be presented next Monday. The important information that these documents contain will form the basis of our parent-teacher evening, to be held in the second week of Term 3. All parents/carers are invited to meet with relevant staff between 3:00pm and 6:00pm on the evening of Tuesday 21st July. If proposed times on this date do not suit parents you will of course be able to request a separate time and date early in the term in order to discuss the most important next steps for your child.

Have a great week.

SLIKK Camp Scotts Head

Last week 14 Indigenous students attended a 3 day leadership camp for Koori kids interacting with students from the 5 high schools in the southern area of our Gumbaynggirr nation. Numerous Workshops were on offer to enhance the student’s knowledge, leadership and skills around connecting to their country.

Students worked with skilled indigenous presenters in their chosen fields on language, dance, art and Healthcare. A presentation and forum on community issues around drugs, alcohol and domestic violence was received well by all.

A huge thank you to Aunty Di, Mr Symonds, Mr Briggs and Mr Mason for their help and guidance at the camp.

‘We were very proud of the way all our students conducted themselves, their positive attitude and participation in the workshops over the 3 days.’ Aunty Di

‘It was a pleasure to have the opportunity to work with such a great group of indigenous students and members of the community around leadership.’ Mr Mason.

“Going to Uni” Open Day

On Thursday the 11\textsuperscript{th} of June a group of brave volunteers from Years 9 & 10 spent the day at the SCU’s Coffs Harbour campus getting a taste of what life at University is like. They represented the school proudly and engaged in multiple sessions from law lectures to marine science and sport science training to midwifery introductions. It was a great day out and not just because of the free lunch! Students were given the opportunity to think about future careers and study directions and also learned that it is legal to eat someone, but only if they are already dead.

Donations for 7/8 Sustainability Project

On Friday afternoons Years 7 & 8 have been doing project based learning activities around the theme of sustainability, planning and designing projects that will allow them to explore their own interests while finding out about sustainability through hands on learning. In order for the students to reach their goals and in keeping with the sustainability theme, they are calling for donations of the following items:

Old Clothes  Older wooden furniture
Glitter       Sandpaper
Lace         Paint brushes
Ribbon       Hay
Buttons       Potting mix
Wooden boxes/crates  Vegies seedlings or seeds
suitable for chickens  Terracotta pots
to lay in       Plastic pots
Chicken feeders and  Craft glue
water feeders   Crepe paper
Seed trays     Tinsel
Wool          Pallets/fence palings
Leather shoe laces  Rope
Gold & silver paint  String
Old rabbit hutchs  Chicken mesh
and hutch parts  Wood
Paint          Nails

Any of these things that can be sourced from the community would be a significant bonus to both the students and the environment. If you are able to deliver any of these items to the school it would be greatly appreciated.

Thanks, Sustainability Team
