Education Week at BCS started with a wonderful Community Breakfast
PRINCIPAL’S MESSAGE

Our sporting stars continue to shine at Bowraville: congratulations to all students involved in the recent trip to Inverell. As a result, we have fundraising already underway to enable students to participate in the state finals in Week 6 of this term. A great achievement, and my thanks also to staff for enabling all these opportunities for our students. (Perhaps there won’t be quite so much snow in Dubbo).

Thanks also to parents and community members who were able to join us on Monday morning this week for our Education Week breakfast. It is great to grab any opportunity to be able to have conversations about our whole school and of course individual student progress.

The parent-teacher evening last Tuesday was also a great success – thank you to all staff for your thoughtful participation in this important opportunity to collaborate with families about students’ progress. It was great to see so many parents/carers make the time to join us for these conversations. Good schools enable open and honest conversations around learning, and I feel that last Tuesday was an important time in this regard.

Congratulations of course also to a young woman who not so very long ago would have been taking part in a parent-teacher evening at Bowra herself: Billie McKay! There is great excitement of course across the whole Nambucca Valley around Billie’s stunning Masterchef success. We are very proud of course to have another Bowraville graduate succeeding so brilliantly in their chosen field of endeavour.

Have a great week.
Malcolm McFarlane

BCS NAIDOC Week Activities

Year 11 Information Evening for Current Year 10 Students

An information evening will be held on Tuesday 4th August, 5.30pm to 6.30 pm in the School Library.

Staff will be on site to discuss options with students, caregivers and parents.

Tea, coffee, and biscuits will be available.
Primary Industry
Primary Industry Students attend week long training at Taree TAFE.

Students Keeley Finlay and Brodie Silvia joined with students from Orara High School to complete units of their Certificate II in Primary Industries.

The week long camp involved Tractor and implement operations, chemical user training, pasture production as well as animal handling techniques. Keeley and Brodie enjoyed the opportunity to mix with students from Orara and some new friendships were established.

The experience also provided the teachers and staff valuable time to share agricultural knowledge as well as compare the directions of the Primary Industry and Agriculture courses in each school.

LOST PROPERTY
Our lost property box is overflowing with winter uniforms and items left behind at excursions.

Please check it soon as it will be Emptied at the end of term!

PHONE NUMBERS
If parents/carers have changed their phone number, (especially mobile) it is important to let the school know in case of emergencies.

Please let us know on 6564 7162 or send a note with your child. It is also important for parents/carers who wish to contact their child that they ring the front office and not the student’s mobile phone. Students are not permitted to use their mobile phones during school times for a number of very good reasons.

Thank you for your cooperation.

Kerri Argent
Deputy Principal.
